

Training Schedule 2021

- Various Live Stream Trainings to enhance your user knowledge.
- We offer basic, advanced and special trainings* (see description below).
- For each training participants will receive a current test version and electronic training documentation.
- Upon successful completion participants will receive a training certificate.

Live Stream (only Europe)

Time: CET 08:30 am – 12:00 pm and 04:00 – 05:00 pm (Q&A session)

Date	Training	Price
Mar 1 – 2, 2021 (2 Sessions)	Gear Calculation (Basic)	450 EUR
Mar 3 – 4, 2021 (2 Sessions)	Shaft and Bearing Calculation (Basic)	450 EUR
Sep 14 – 16, 2021 (3 Sessions)	KISSsys - Modeling Gearboxes (Basic)	1.000 EUR
Sep 21 – 22, 2021 (2 Sessions)	KISSsys - System Calculations (Advanced)	500 EUR
Sep 23, 2021 (1 Session)	KISSsys - Planetary Stage Gearboxes (Advanced)	400 EUR
Oct 26 – 28, 2021 Nov 2 – 4, 2021 (2 x 3 Sessions)	Cylindrical Gear Design, Analysis and Optimization (Advanced)	1.650 EUR
Nov 22 – 25, 2021 (4 Sessions)	Fine Pitch Gears in Plastic and Sintered Material (Special)	1.300 EUR
Dec 7 – 9, 2021 (3 Sessions)	Contact Analysis for Cylindrical, Bevel Gears and Planetary Gears (Special)	1.300 EUR

Live Stream (Europe and part of Americas)

Time: CET 02:00 pm – 06:00 pm (Brussels) or EST 08:00 am to 12:00 pm (New York)

Date	Training	Price
Mar 16 – 18, 2021 (3 Sessions)	KISSsys - Modeling Gearboxes (Basic)	1.000 EUR
Mar 23 – 24, 2021 (2 Sessions)	KISSsys - System Calculations (Advanced)	500 EUR
Mar 25, 2021 (1 Session)	KISSsys - Model Customization (Special)	400 EUR
Jun 15 – 17, 2021 Jun 22 – 24, 2021 (2 x 3 Sessions)	Cylindrical Gear Design, Analysis and Optimization (Advanced)	1.650 EUR
Sep 6 – 9, 2021 (4 Sessions)	Bevel and Hypoid Gear Calculation and Optimization (Special)	1.300 EUR
Sep 27 – 28, 2021 (2 Sessions)	Gear Calculation (Basic)	450 EUR
Sep 29 – 30, 2021 (2 Sessions)	Shaft and Bearing Calculation (Basic)	450 EUR
Nov 9 – 10, 2021 (2 Sessions)	Bolt Calculation (Special)	650 EUR

* KISSsoft training levels

- **Basic trainings:** Participants do not need any prior knowledge to attend this training.
- **Advanced trainings:** Participants must have the required basic knowledge or do need to have attended at least the basic training.
- **Special trainings:** These trainings are related to special topics. The requirements for participation can be different and can be seen in each training course. They may include basic knowledge, or they may even require an advanced knowledge level.

- You will find more details on each training including the training program under: www.KISSsoft.com/training
- Apply easily and quickly through the online registration on our website!
- In case of any questions, please send us an email to training@KISSsoft.com or contact us at: +41 55 254 20 50.
