You are cordially invited

Join the KISSsoft® User Forum, hosted in the Metro Detroit region, the heart of the automotive industry.

Embassy Suites by Hilton Detroit Troy Auburn Hills, 850 Tower Drive, Troy, Michigan, USA.

June 15, 2026.

Designed for engineers, designers, and industry leaders, this forum is an opportunity to stay at the forefront of transmission and drivetrain technology. Whether you are developing high-performance powertrains or industrial gear units, the event provides the technical depth needed to optimize your workflows using the industry's leading gear design software. Network with peers in the Metro Detroit region and discover how KISSsoft bridges the gap between theoretical design and shop-floor reality.

Join us for a day of technical insights, expert exchange, and practical perspectives on modern gear design.

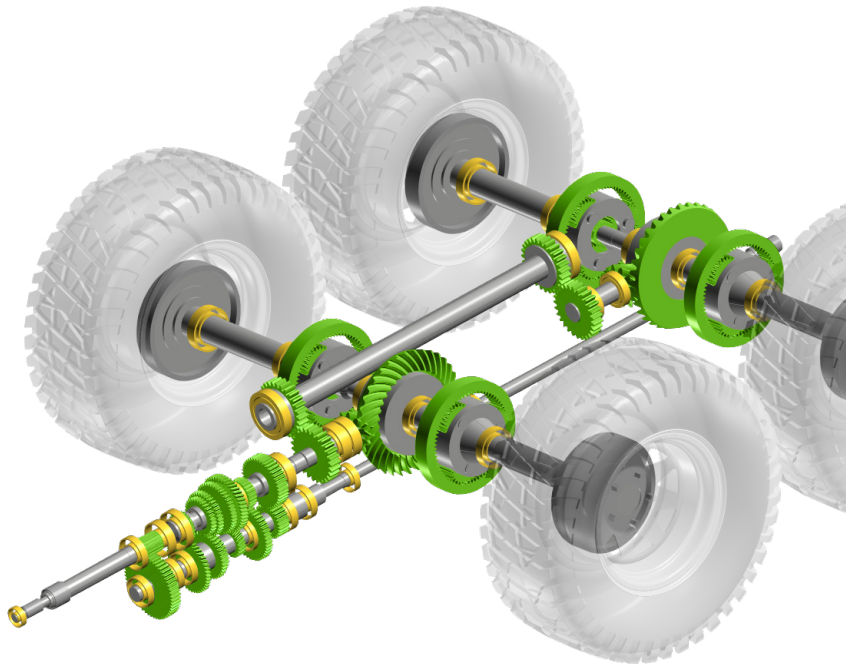

We look forward to welcoming you to Troy.
